Dear Jim,

On behalf of AAA, thank you for your kind words, which I have forwarded to the board.

As you probably know, the board of AAA voted unanimously to extend your tenure as chief. We were both surprised and disappointed when city council saw otherwise.

No matter what, you will always be an honorary member of AAA. Please keep us updated on what you are doing and how we might stay in touch. Hopefully, we will see you at future AAA happenings and meetings!

You have represented and guided our city through the best and the darkest of times. I salute you for all you have done in many years of service to Virginia Beach citizens, especially the attention you paid to our resort area community.

You will be sorely missed as chief, but I for one look forward to seeing a lot of our friend, Jim Cervera, in the not too distant future.

Be safe and healthy.

United we stand and best personal regards,

George Kotarides
President, Atlantic Avenue Association
